Skills

C Programming
Python
Java
Data Structures
HTML/CSS
Bootstrap

Hobbies

Listening Music
Cooking
Playing Chess
Computer Programing

Career Objectives

I possess a strong command of the C and Python programming languages. Additionally, I am proficient in frontend development, including HTML, CSS, and JavaScript, allowing me to create engaging and user-friendly web interfaces. However, I believe that my greatest strength is my ability to work well within a team. As a collaborative and communicative team player, I am able to bring together diverse perspectives and ideas in order to achieve common goals and deliver high-quality results.
